

## January 2017 Library Report to the City Council

### Holiday Activities

During the Christmas break, the library hosted two special events for families. LEGO Club builders had an extra hour to work on their creations on December 27.

A crew of 50 people created a variety of LEGO art. The finished projects nearly wiped out every LEGO piece to be found!

On December 28, Magician Rick Brammer performed his magical tricks to a crowd of children and adults.

Rick sells "The Book Farm" children's books and will do a complimentary show for library customers. Thanks, Rick for a great show!

### Upcoming Events

Did you get a new computer or tablet for Christmas? Do you have some questions on how to use your new operating system or device? These classes at the Oelwein Library are for you!

*Windows 10*

January 17 at 6:30 p.m.

*Tablets & Ebooks*

January 19 at 6:30 p.m.

Classes will be taught by Kim Van Deest, Information Literacy Coordinator from Waterloo Public Library.
