Alzheimer's, Dementia, and Public Health

Wednesday, Sept. 14th at 3:00 p.m.

This is an informational program focusing on what causes memory loss; what is the latest research in fighting against this condition; what can be done to lower your risk; what resources exist and what the Iowa Department of Public Health is doing to help. Our presenter will be Greg Woods from the Iowa Department of Public Health.

Author Janis Van Buren Friday, Sept. 23rd at 1:00 p.m.

Janis Van Buren grew up on a farm east of Fayette, Iowa about three miles from where Susan Angeline Collins lived in 1865. Susan did mission work in what is now the Democratic Republic of the Congo and Angola. Janis was urged by a friend to write a short history of Susan Collin's life. She began researching in 2009. The results are found in her debut biography, *Susan Angeline Collins: With a Hallelujah Heart* published in April 2021.
