The library will be offering the Ancestry database for doing genealogical research at the library. This was made possible by a generous donation by a library patron and by the Oelwein Public Library Foundation.

Learn how to discover your roots with Ancestry Library Edition during our workshop on Tuesday, February 21 at 2:00pm. Topics covered will be how to access Ancestry Library, an overview of the records available, and some of the many ways to search for information in Ancestry Library.
