It's never too early, or too late, to set goals for staying independent in mid and later life. Learn about the benefits of eating well and moving more, avoiding fraud and scams, planning for future housing and care needs, and more! The Fayette County Extension will host a Stay Independent series of programs for Seniors over 60 through December. These programs are **FREE** and meet once per month in the library's meeting room for one hour. **Please register with the library by calling 319-283-1515.** Put plans in place now that support your ability to continue independent living for the years ahead. Identify your priorities, assess your current environment, and explore home modifications to age in place safely.
