Around the World: Flight To End Polio

Monday, April 22nd at 5:00 p.m.

In collaboration with the Oelwein Rotary Club, the library will host cousins Peter Teahen and John Ockenfels, who piloted a single piston-engine airplane around the world to raise awareness and money for Rotary's End Polio Now program. The flight took 90-days, made 37 landings in 19 countries, and involved 24 fundraisers. Only 702 pilots in history have ever achieved this feat, and less than 270 are alive today!

Both Peter and John are longtime Rotarians and members of the International Fellowship of Flying Rotarians.

Peter and John will share their powerful story of: "Around the World: Flight To End Polio". Scan the code for more information.
