

Library Report to the City Council – July 2018

The library had a fabulous summer reading program. “Libraries Rock” was this year’s theme and people enjoyed programs on music, sounds, science, and geology. Everyone was excited for the final program with prizes and a swimming pool party. For registrations, we had:

Preschool – 21 Kdg-5th grade – 71 Teens – 19 Adults – 37

Throughout the summer, readers will continue to receive stickers to put on the “Libraries Rock!” mosaic poster. The picture is starting to develop!

Kids are fascinated with Legos. Lego Club is a popular summer program. Next Lego Club meets July 10 from 4-5 p.m.

Looking at Lego creations

The Solar Panels have arrived. The installation process will begin within the next couple of days. Miller Construction finished replacing the hail-damaged roof and siding, so we are all ready to start this project.

Evening Family Story Time July 24th at 6:00 p.m.

HP Harry Potter Escape Room July 16th – 20th.
